Academic content

Dates

Incoming students attend elective courses during RSM's MBA Module 5 which takes place from **September 9 to December 8, 2022**. RSM is also planning for an orientation day that will take place in September (exact date to be confirmed).

Courses

A full-module course load consists of three electives, providing a total of 9 EC. 1 EC is the equivalent of 28 (study) hours. Students are free to choose any electives in the portfolio that we offer for our [full-time MBA programme](#) students. Electives open only to RSM's [Executive MBA programme](#) students are not included in the list of options for exchange students. That said, it is possible to choose one of the electives of the [Cologne-Rotterdam Executive MBA programme](#) (taking place in Cologne University's campus). Please note that these are pass/fail only.

The maximum number of courses that a student is allowed to take is six. From experience, the majority of the full-time MBA exchange students require an average of 4-5 elective courses based on their home school requirements. Should a student need six electives, this will need to be approved by RSM's MBA Programme Council on a case-by-case basis.

RSM MBA full-time students will conclude their programme with a full day's session of Personal Leadership Development on the December 9. Kindly note that this session will *not* be applicable to exchange students because of the content of the course (wrap-up session of a year-long course).

Class information

Language of instruction

All courses are taught in English.

Class profile

The MBA programme is a post-experience programme. The average age of RSM full-time MBA students is 30 with seven years of working experience. The average age of RSM's Executive part-time MBA students (who may also participate in some electives) is 35 with 11 years of working experience.

Class format, participation and attendance

RSM's MBA classes are a mix of lectures from RSM faculty and visiting faculty using mostly case studies. Guest speakers are also regularly invited. Students can expect to be involved in group-based work; presentations; and in-class discussions. Class sizes vary between 20 and 40 students. Class participation and attendance are reflected in the students' final grades.

Students should plan to attend all courses in-person. That said, in case RSM is unable to deliver in-person classes due to Dutch government corona-related restrictions, students should be prepared to switch to an online or hybrid class format.

Courses are offered in different disciplines and there are approximately 40 courses to choose from. Course offering, as well as the tentative schedule, will be published by May 2022. Course selection is done in the end of May or beginning of June via an online bidding system. Detailed information on this will follow.

Previous years' courses included Leadership, Sustainability, Strategic Finance and Value Creation, Consulting, Entrepreneurship, Negotiations, Private Equity, Financial Engineering, Innovation Management and New Marketing Strategy in the Digital Age.
